Dear Dr. Kurpius,

Please find attached the 2016 Ambient Air Monitoring Network Plan (ANP) for the San Luis Obispo County Air Pollution Control District. In order to satisfy the requirements for public review and comment specified in 40 CFR 58.10, a notice was placed on our homepage (www.slocleanair.org) from May 23 to June 23 announcing the availability of this document and soliciting public comment. No comments were received, and the attached ANP is identical to the version posted for review.

Please contact myself or Jaime Contreras if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Karl Tupper".
